Classroom Management System

Reserve your place on the Classroom Management System (CMS) at https://www.hseland.ie/

Sláinte Leanaí Éireann
CHI
Children's Health Ireland
The CMS allows you to:

- Access the catalogue of CCNE programmes
- Review programmes: content, dates and locations
- Express interest in an upcoming programme
- Request enrolment in programmes
- Access programme resources
- Access your individual 'Learning Record' and programme certificates. This will update automatically as you complete programmes

Enrolling in programmes

It is essential to enrol yourself in a programme in advance of attendance.

How to access the CMS for CHI Staff

1. **Login to https://www.hseland.ie and register/update your profile if necessary**

2. **Click on 'Course Catalogues', see image below**

3. **Click on the ONMSD icon, see image below**
